CENTRAL VIGILANCE COMMISSION

D.O. No. 017/MSC/023-350023

Dated: 30th June, 2017

Dear CVO,

Central Vigilance Commission being the apex vigilance institution of the Country, has been striving to promote probity and integrity in governance. Preventive Vigilance is one of such efforts initiated by the Commission to achieve good governance by reducing and eliminating corruption. It aims at identifying the areas vulnerable to corruption and establishing suitable preventive mechanism.

2. The Commission is of the view that preventive vigilance is a tool of management and good governance and sought the active involvement of the management in all its initiatives from systemic improvements to creating awareness and development of an Integrity Index. During the recent past, the Commission has worked towards taking forward the recommendations of the Santhanam Committee by emphasizing that the role of the Chief Vigilance Officers (CVOs) is predominantly preventive and therefore preventive vigilance should get adequate attention of the CVOs.

3. In order to take forward the focus on preventive vigilance towards zero tolerance and aiming at transparency and accountability in public life, the Commission seeks fresh views/suggestions of CVOs. All CVOs are therefore requested to convey their views/suggestions on adoption and implementation of Preventive Vigilance to the Commission immediately but latest by, 21.07.2017.

With best wishes,

Yours sincerely,

(Nilam Sawhney)
